from the Bishop

BISHOP JAIME SOTO

Since my arrival in Sacramento, I have met with thousands of faith-filled people throughout our Diocese. It is gratifying to witness the generous commitment to the parishes, schools, and other ministries that serve the people of God in the 20 counties of the Diocese of Sacramento. ~ It is this same commitment that was the inspiration for the founding of The Catholic Foundation of the Diocese of Sacramento. Thanks to the vision of Bishop William Weigand, The Catholic Foundation was established in 2004 with a mission to witness the gospel values of love, justice and service to all by ensuring that financial donors can effectively support the well-being of Catholic works in our diocese. ~ Similarly, The Manogue Perpetual Endowment Foundation was established in 2002 with the impetus to support the good work of the parishes and parish schools in our diocese. ~ Over time, it became apparent that merging these two foundations was the right thing to do. On January 1, 2010, The Manogue Perpetual

Endowment Foundation was merged into the The Catholic Foundation. There are two primary reasons for this merger. One is to exercise responsible stewardship by streamlining the financial structure and realize greater efficiencies in financial reporting. The second reason is that parishes with endowments will be able to take advantage of the marketing, promotional support and professional resources provided by The Catholic Foundation. ~ I am grateful to everyone who has participated in The Catholic Foundation and The Manogue Perpetual Endowment Foundation over the years; including our donors, board of directors, parish and school staff and volunteers as well as the professional staff and advisors. Their generosity and commitment will sustain and foster a broad range of essential ministries that will benefit our faith community for generations to come. ~ I invite you to learn more about The Catholic Foundation and how we can be of service to you.

Respectfully,

from the President

LAWRENCE B. GARCIA

It is my pleasure to serve as your President of The Catholic Foundation of the Diocese of Sacramento. The Catholic Foundation belongs to you — the donors, parishes, schools and agencies within our diocese. The reason for The Catholic Foundation and its endowments is to support the Bishop and help the local churches carry out their mission and many ministries. I am pleased to report that The Catholic Foundation enjoyed a very productive year both in terms of return on our investments as well as the expansion of our services to support the parishes,

schools and agencies of the diocese. I'm also pleased to share with you a few of the primary areas of progress we have experienced in the past year. ~

2009 Areas of Progress

Between January 1 and December 31, 2009, our investment earnings grew by more than twenty percent (23%). To be sure, this was a welcome increase following the decline in earnings that were experienced by The Catholic Foundation in 2008.

The Manogue Perpetual Endowment Foundation was merged into The Catholic Foundation creating a much larger and more robust organization. We look forward to serving the additional 74 endowment account holders representing more than \$21 million in endowment assets. We are confident that our parishes and schools will experience greater accountability and communications through enhanced marketing, reporting and support of their local endowment efforts.

A comprehensive parish-based stewardship program, *Stewardship, A Way of Living*, was developed and provided to all parishes diocesan-wide.

The Catholic Foundation's new website, www.tcfSac.org, went live in 2009 and contains extensive resources for our parishes, schools and agencies.

All of us involved with The Catholic Foundation — the board of directors, committees, staff and advisors — strive to be good stewards of everything God has given us. Be assured that we at The Catholic Foundation take the leadership role entrusted to us as stewards of these important resources very seriously. We are grateful for your trust and support and look forward to continuing to serve you in the future.

Youth Advancement

SUCCEED ENDOWMENT FUND

~ Sacramento Urban Catholic Children's Equal Education Development

Established in 1985, SUCCEED set out to build a reliable source of funds to provide ongoing needs-based tuition assistance to students of families who could not afford a Catholic education. Twenty-four years later, thanks to the many benefactors and volunteers who supported SUCCEED, primarily through the Annual Gala Dinner, the gift of a Catholic education has been made possible for hundreds of our local youth whose families experience hardships. Today, the SUCCEED endowment in The Catholic Foundation totals more than \$5 million — generating approximately \$250,000 in annual interest earnings to support the three SUCCEED Schools (St. Patrick, Holy Cross and St. Joseph), ensuring the enduring legacy of quality Catholic education remains accessible to Catholic families.

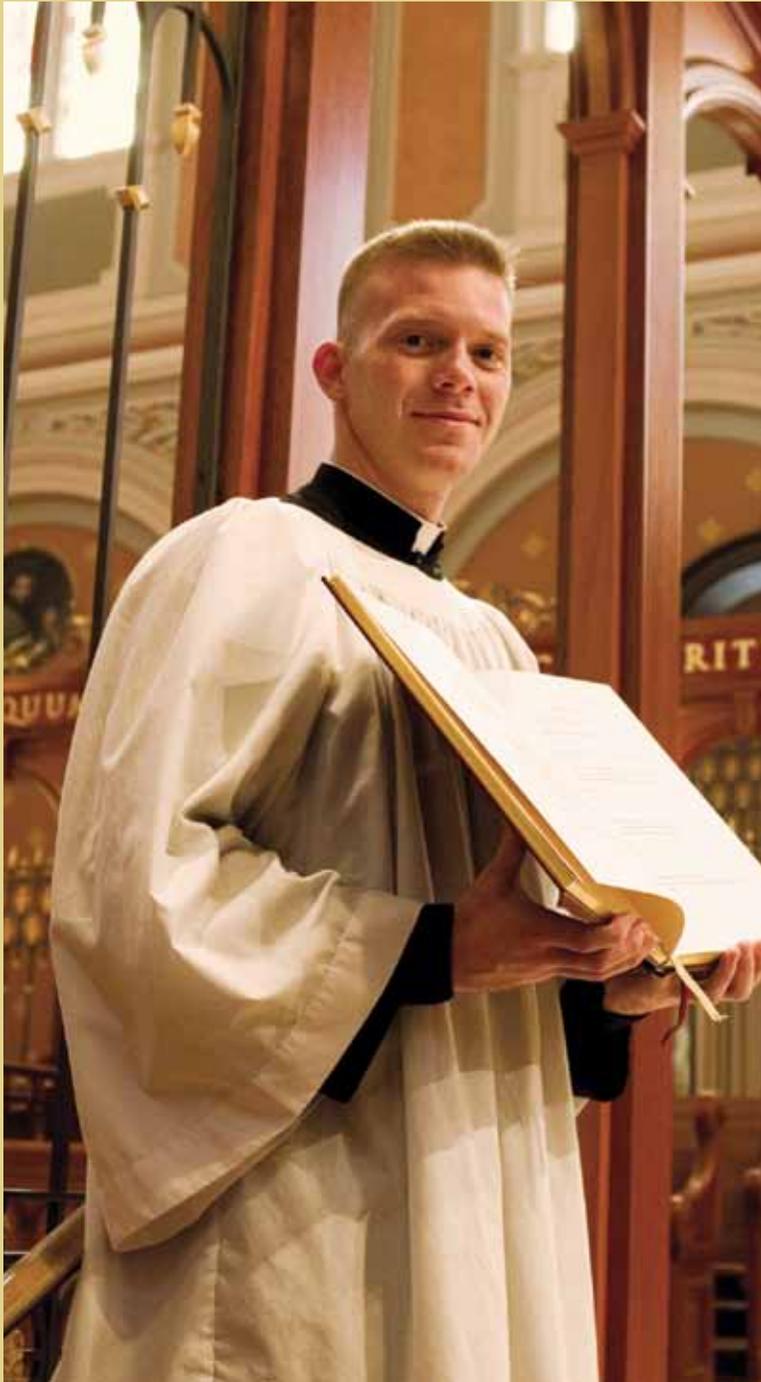

The communities of the Diocese of Sacramento have said there is no single endeavor more important than the formation of our youth. Through the Catholic Foundation, donors can help ensure that our youth have the opportunity to develop as responsible, caring Christians.

Encouraging Vocations

SEMINARIAN EDUCATION ENDOWMENT

~ Funded by the Preserving Our Past, Building Our Future Campaign

*M*ichael Ritter grew up in SS. Peter and Paul Parish in Rocklin where he experienced a variety of pastoral ministries and recalls the example of goodness and generosity that he found in his parish pastor. Now a student at St. Patrick's Seminary in Menlo Park, Michael is beginning his third year in theology. As he learns what it means to be a priest for and with the people of the Diocese of Sacramento, he is grateful for the resources and support he receives as he continues his path of personal and spiritual formation. The Seminarian Endowment Fund helps train new priests to serve our communities in the

future while also relieving them from the anxiety of financial burdens so they can focus on their spiritual formation.

The process of choosing to dedicate one's life to the Church is filled with discernment. Through the Foundation, donors can assure the preservation of a supportive community of financial security for those who become ordained or consecrated servants of Christ's Church.

Serving People in Need

SOCIAL SERVICES ENDOWMENT

~ Funded by the Preserving Our Past, Building Our Future Campaign

The Social Services Endowment serves as an ongoing testament of our faith by providing needed funds to Catholic Social Service programs, thereby assisting our brothers and sisters desperately in need. Michael and Irene, for example, were helped by Catholic Social Service of Solano County. Both are grateful for the compassion and assistance that helped them overcome difficult circumstances.

Michael lost everything when his low-income residence burned to the ground. Yet his spirit never dampened. Because help was there when he needed it most, Michael is now recovering from his great loss and still lives on his own.

Irene is determined to get her life back on track after years of domestic abuse. With the help and encouragement she received, she looks forward to a hopeful future for herself and her son.

Our basic Catholic teaching says “the Eucharist commits us to the poor.” There will always be disadvantaged people in our midst. The Catholic Foundation provides practical ways for donors to provide the deciding difference in people’s lives.

Foundation History

BISHOP PATRICK MANOGUE

The Diocese of Sacramento has been blessed with a rich tradition of faith and generosity that dates back 160 years to the first Mass celebrated in Sacramento by a Dominican missionary priest in 1850. In 1857, The Sisters of Mercy established the first Catholic hospital in Northern California. In the same year, the sisters opened an elementary school for 115 children. ~ Over the years, thousands of clergy, religious and laity have responded to the Lord's call to build our Church into what it is today – encompassing 42,000 square miles, serving more than 900,000 Catholics through our 104 parishes, 44

Catholic elementary and high schools and more than 100 social service ministries. ~ This rich history of faith and generosity of those who have gone before

us created these many wonderful Catholic institutions with the common desire of sharing Catholic life and giving witness to our Catholic faith in the broader community. ~ It is this same common desire which was the impetus for establishing The Catholic Foundation with the mission to “witness to Christ and His Gospel values of love, justice, forgiveness and service to all by ensuring the financial well-being of the Catholic works in our diocese.”

Cathedral of the Blessed Sacrament, 1899

As Bishop Patrick Manogue was committed to the building up of the Church in The Diocese of Sacramento, The Catholic Foundation is committed to the growth and preservation of our common ideals of generosity and charity for generations to come.

JOHN ROBERT KEANE MEMORIAL SCHOLARSHIP ENDOWMENT

~ *Sacred Heart Elementary School and Mercy High School, Red Bluff*

8 | **T**he Keane family believes that contributing positively in some way is a rewarding experience — an important way to give back to the community. For this reason they created a memorial scholarship endowment in loving memory of Mr. John Robert Keane who was a positive influence on so many people, and a strong advocate for Catholic education in Red Bluff. John Robert Keane and his wife Gerry raised seven children, all of whom attended and graduated from Sacred Heart Parochial School, its predecessor, Mercy Academy, and Mercy High School. The Keane family legacy continues with three grandchildren attending parochial schools in Red Bluff, and other schools throughout the Diocese. Sadly, Mr. Keane passed away in 1996. In 1998 Rosalie Escobar, John's mother-in-law, made a provision in her estate plan to honor John Robert by establishing the John Robert Keane Memorial Scholarship Endowment.

Thanks to the generosity of the Keane Endowment, several families from Sacred Heart Parish, Red Bluff, have received tuition assistance grants making Catholic education a reality for their children.

Investment Structure

INVESTMENT ADVISORS:

Christian Brothers Investment Services, Inc. (CBIS) serves as investment advisors for assets of The Catholic Foundation. All funds are invested in accord with the United States Conference of Catholic Bishops' Socially Responsible Investment Guidelines where investments are guided by Roman Catholic social and moral teaching. So, the stewardship of resources goes beyond simple fiduciary responsibilities of ensuring acceptable return on investments. Investments must reflect commitment to other values as well, such as the sacredness of life, the dignity of the individual, collaboration, and the care for the poor.

Overall, CBIS manages approximately \$3.7 billion for Catholic organizations seeking to combine faith and finances through the responsible stewardship of their assets.

INVESTMENT COMMITTEE:

The role of the Investment Committee of the Catholic Foundation is to provide strategic input thereby ensuring strong investment performance, efficient administration, and consistent endowment growth. They accomplish these goals by advising on the Foundation's investment policies; selecting and retaining investment advisors; reviewing financial reports for timeliness, accuracy and propriety; and monitoring performance of the Foundation's portfolio.

Benefits of Giving

HOW CAN I REPAY THE LORD FOR ALL THE GOOD DONE FOR ME?

~ Psalm 116:12

The Catholic Foundation practices Christian stewardship by managing individual endowment funds for the benefit of parishes, schools and agencies in the Diocese of Sacramento. Each year, an endowment's earnings are used to help finance the specific purpose for which it was created. The Catholic Foundation provides an opportunity for individuals to practice their call to Christian stewardship while supporting their local Church.

Christian stewardship is a recognition that all blessings come from the Lord and these blessings are to be used to serve all of God's children.

Giving through The Catholic Foundation offers several benefits to donors:

- ACCOUNTABILITY** Our books are audited every year to ensure accuracy and provide open disclosure of all foundation activities.
- SOCIALLY RESPONSIBLE INVESTING** All funds in The Catholic Foundation are invested through *Christian Brothers Investment Services* in accord with the social responsibility guidelines of the Roman Catholic Church. Our investments, therefore, reflect the Church's values — such as the sacredness of life, the dignity of the individual, collaboration, and the care for the poor.
- DESIGNATION OF USE** Donations may be directed to specific causes that are important to the individual donor such as Catholic education, charitable works, or pastoral activities. Endowments may benefit diocesan-wide ministries as well as parishes, schools and agencies.
- NAMED FUND** When a new fund is established, the donor may choose the fund's name. Some donors may use their own name; others may choose to memorialize a family member or revered friend.
- OPEN-ENDED** Most funds held by The Catholic Foundation are open-ended. Donations may be made to the fund at any time.
- PERPETUITY** A gift will be held by The Catholic Foundation for perpetuity. A portion of the interest it earns will be distributed to the designated recipient ministry so that the gift keeps on giving.
- PROFESSIONAL MANAGEMENT** All foundation assets are prudently managed by professional investment managers (CBIS) and overseen by the Investment Committee of The Catholic Foundation whose members represent the financial and investing fields of expertise.
- TAX ADVANTAGES** Contributing through The Catholic Foundation may entitle donors to estate and income tax deductions.
