Dear Pastor or Parochial Administrator,

I'm writing to ask you to invite youth ministry coordinators, core teams, youth group leaders and young adult ministry leaders to participate in a new program called EQUIP. If we want to empower our young people to be missionary disciples, we need to prepare and equip our leaders for the task.

Participants will join a small group for a process of reflection, study, growth and mutual support. The program content covers the theology, best practices and skills they'll need to build a successful youth and young adult ministry in your parish or take an existing ministry to the next level. Together, we can build up the Church to share God's love with the young.

The process begins with a retreat on October 19-20, 2019 at Trinity Pines Catholic Center in Colfax, CA. It continues with a monthly regional gathering in small groups. The program is a hybrid model where participants read and watch video content in between small group meetings and practice what they have learned with the parish youth and/or young adult ministries they are involved in.

The purpose is two-fold: 1. To equip youth and young adult ministry leaders to better form young people into missionary disciples, and 2. to build the leaders in each small group into a regional community of support.

The program is designed for all youth and young adult ministry leaders - new, seasoned, formed, unformed, over-formed - to grow through the sharing of resources, experiences and approaches throughout the process. Small groups will be facilitated by our Regional Coordinators: Lindsey West, Alex Barraza and Richard Cherveney.

The EQUIP Specialization is a partnership between the parish, the Diocese of Sacramento and the participant. The \$225 cost is split 3 ways: the participant pays \$75, the parish pays \$75, and the Diocese of Sacramento pays \$75. For more information, please contact me at (916) 733- 0152.

Enclosed you will find copies of a flyer to distribute to anyone in the parish you think might benefit. Please help us spread the word.

Thank you for taking the time to review this opportunity.

If we want to empower our young people to be missionary disciples, we need to prepare and equip ourselves for the task. You are invited to join us for a small group process of reflection, study, growth and mutual support. Together, we can build up the Church to share God's love with the young.
