Memo

To: Pastors/Parochial Administrators/Parish Stewards:
From: Thomas J. McNamara on behalf of the Task Group on Security Measures
Date: December 5, 2019
Subject: **Sacramento County Sheriff's Office Active Shooter Workshop**

Dear Pastors, Parochial Administrators, Parish Stewards, and School Administrators:

We have received the attached information regarding a workshop being offered by the Sacramento County Sheriff's Office regarding active shooter training. You will note that we missed the first opportunity on December 4th, but that the workshop will be offered again the evening of January 22, 2019 at the Mosaic Law Center in Sacramento.

Please see attached Flyer for more specific information.

Thank you for your ongoing attention to parish and school security issues.

ACTIVE SHOOTER

GET EDUCATED • BE EMPOWERED • CONTROL THE SITUATION

Presented by

IS YOUR
BUSINESS,
ORGANIZATION,
OR CONGREGATION
READY FOR AN ATTACK?

We would like to invite all local business managers, school administrators, organizational board members, and congregation leaders in the greater Sacramento area to attend this FREE workshop. The purpose of this one day workshop is to help administrators identify things they can do to prevent an active shooter incident in their organizations.

Staff from the Sacramento County Sheriff's Office will provide guidance and mentoring so representatives can take what they learn back to their organizations for training. Early registration is recommended due to limited space. For more information, call (916) 875 - 7837.

Wednesday, December 4
Temple Or Rishon
7755 Hazel Ave.
Orangevale, CA 95662

Wednesday, January 22
Mosaic Law Center
2300 Sierra Blvd.
Sacramento, CA 95825

Learning objectives:

- Identifying premise vulnerabilities
- Conducting security assessments
- Active shooter preparedness
- Creating emergency action plans
- Identifying pre attack indicators
- How to respond to an emergency
- Run - Hide - Fight

Each workshop
is from
6pm - 9pm

TO REGISTER:

Go to www.sacsheriff.com and click on the bulletin titled: *Active Shooter Workshop*. Registrants will be subjected to a background check prior to attending the training.
