A Catholic Approach to Sex Ed

Join Bishop Jaime Soto and Ray Burnell from the California Catholic Conference for a workshop discussion about sexual education from a Catholic perspective.

The recent legislation, the California Healthy Youth Act (CHYA), has mandated “comprehensive sexual education” to be taught at all levels.

During this workshop, we will cover exactly what the CHYA law entails, and what parish and school leaders can do to inform and empower parents, as well as provide resources on how parents can opt their child out of the public school program.

Of interest to both parishes and Catholic schools alike will be a presentation on various Catholic sex education curricula and resources for parents, catechist, teachers and religious education programs, including the opportunity to view sample curricula and get questions answered.

Workshop is open to: Priests, Deacons, DREs/CREs, Principals, Catholic School Teachers, and Youth Ministers
