---

*The new Order of Baptism of Children* is now available for use in the dioceses of the United States of America beginning on the Feast of the Presentation of the Lord, February 2, 2020; its use becomes mandatory on Easter Sunday, April 12, 2020. You can order your copy here:

<https://www.ltp.org/products/details/OBCRE/order-of-baptism-of-children-ritual-edition>

The Office of Worship together with the Office of Family and Faith Formation will be offering a free workshop on the new ritual book. We will also be outlining “best practices” in terms of welcoming, preparing, and following up with families so that the whole process of baptismal prep is more nurturing and pastoral.

The workshop will take place **Thur., Mar. 5 @ 7:00 p.m.** at the Pastoral Center, 2110 Broadway. Anyone with a bent toward evangelization is encouraged to attend.
