Let Us Pray: Six Lessons on the Liturgy

Starts Wednesday, May 20, 7:00 - 8:00 p.m.

This popular 6-part series covers the basic teachings of the Church on liturgy, music and prayer. Based on Sacred Scripture, the Catechism of the Catholic Church, Vatican II, and other magisterial documents.

Session 1 – Liturgy 101 – Basic Liturgical Principles

Starting with Sacred Scripture (esp. Exodus), the Catechism and the teachings of Vatican II, this session will give an overview of the series and introduce basic liturgical principles that govern how we worship. We'll explain why liturgy is not so much a "work of the people," but rather "the work of *Christ the Lord*" (Catechism 1067). Finally, we'll discuss the "what, where, how, who, and why" of liturgy, and the true meaning of "active participation."
