

PARISH LIFE

BEYOND THE PANDEMIC

A Resource for Pastors to Shepherd
their Flocks beyond the Pandemic

NOVEMBER 20, 2020

1:30PM - 2:30PM

VIRTUAL MEETING

Covid-19 has impacted parish life on many levels. Pastors find themselves facing real challenges and have found themselves spread thin to respond to the many needs. This leaves little room to envision parish life and planning beyond the pandemic.

Fr. Michael Sweeney, O.P, and Sean Bryan have offered to be a resource and assist Pastors in planning to bring their people beyond this global crisis. Fr. Michael has experience in the formation of parish leadership teams and would like to help your parish develop your people to grow and thrive in this time.
