Hello!

As you know the existing program for myParish App (MPA) in partnership with FAITH Catholic was set to expire on January 1, 2021. I am happy to share that Diocesan—the makers of myParish App and Evangelus—has extended the program to Easter.

**What does this mean?** Parishes will continue to receive MPA for free and do not need to make a decision on their continuation of the app until Easter. You'll still be able to send messages, update groups and Mass times until that date. The app as a standalone product will be \$37/month after Easter.

**What about Evangelus?** Evangelus is Diocesan's tool that allows for "wide-range publishing" in order to reach parishioners across email, text message, myParish App, Facebook, Twitter, and website, all from one dashboard. It will continue to be offered at the discounted rate of \$59/month (retail \$99/month), which will include the continued use of MPA. If you missed the webinar on the product, you can learn more about Evangelus at <https://diocesan.com/evangelus/>

Some of our parishes have already made the transition to Evangelus and are enjoying the time savings in efficiently messaging across multiple platforms. To sign up for Evangelus, visit the page specifically created for FAITH Catholic customers: <https://diocesan.com/evangelus/faith-catholic/>

Please feel free to reach out to me if you have any questions!

Sincerely,

Bryan J. Visitacion
