

Position Announcement

Engineering Teacher – PLTW

Organizational overview: Christian Brothers High School (CB) is a Lasallian Catholic, co-ed school that serves approximately 1,100 students. The school community is comprised of students and parents, faculty and staff, and alumni. CB enjoys an outstanding reputation in the Sacramento region, earned over its 145-year history. Teachers at Christian Brothers High School are responsible for advancing the mission of the school by serving as a positive, balanced, and knowledgeable role model of Christian faith to teenagers, as well as possessing the ability to implement effective pedagogical practices that capture the imaginations of learners of various abilities and styles.

Position overview: Christian Brothers High School is currently seeking to hire a part-time Engineering Teacher for specialized engineering courses in Project Lead the Way (PLTW). Experience in PLTW is preferred but not required; opportunities for PLTW professional development concurrent with instruction are available.

The ideal candidates will:

- Possess a current California teaching credential and/or degree in Engineering or related field;
- Possess prior experience in education; teaching at the high school or college level is preferred;
- Possess a passion for his/her subject matter and is a lifelong learner;
- Possess interpersonal and communication skills marked by the virtues of equity, inclusion and respect;

Compensation:

- Salary will be dependent upon placement on the 2021-22 faculty salary scale – DOE (\$20,300 - \$37,680)

Interested applicants should submit a cover letter and resume to:

Christian Brothers High School
Attn. Human Resources
4315 Martin Luther King Jr., Blvd.
Sacramento, CA 95820

(Position available August 1, 2021. Applications will be received until a qualified applicant is selected.)
