OFFICE OF LAY PERSONNEL

Memo

To: School Staff
From: Anna Schiele, Director of Lay Personnel
Date: August 2, 2021
Subject: Mandatory Anti-Sexual Harassment Training Laws

It is required by law for all employees to complete the mandatory California Anti-Sexual Harassment training every two years. All non-supervising employees are required to take a one-hour training while supervisors are required to take a two-hour training. All employees in the Diocese of Sacramento must complete the required training this year. If the employee has not completed their training in 2021, then the employee must recomplete the training. The Diocese of Sacramento renewal training will be completed every odd year.

All school employees will have from 8/1/2021 – 9/30/2021 to complete this training. This training is done through CMG Connect. You can log in to your account or create an account if you are a new user by clicking the following link <https://sacramento-schools.cmgconnect.org/>. Once logged in, please follow the instructions below to complete the supervisor training.

1. Select “Trainings” icon on the left hand side
2. Scroll down to “Optional Trainings”
3. Select one of the following trainings: Managers & Supervisors or Non-Supervisor
4. Select “Start Curriculum”
5. Email certificate of completion to rmiramontes@scd.org

***NOTE: If you have an account created not under the school’s link, this needs to be corrected before completing the training. Please contact Katita Schloemann at KSchloemann@scd.org or Rosa Miramontes at rmiramontes@scd.org to get this resolved.

Why is this training important? First, it is required by law! Second, any employee or manager involved in harassment can be individually liable for monetary damages. Finally, this training will help ensure a productive and positive workplace for all employees.

This course will provide a general overview of sexual harassment prevention to assist employers in developing a greater understanding of basic compliance obligations in California. There will be a short assessment at the conclusion of the presentation.

Please contact Rosa Miramontes at rmiramontes@scd.org (916) 733-0241 should you have any questions.

Thank you.
