

# As It Is In Heaven

## Authentic Discipleship for Young Adult Ministry

---

It is time that the Church of today rediscovers the ministry of radical hospitality that grew flourishing, faithful communities of the ancient Church. Hospitality is a tradition and practice that deeply defined the Christian identity throughout Church History.

**Yet our generation knows little about this rich, life-giving practice.**

As leaders who discern and strategize the proper programs that make disciples, we will gather to focus about the thing that matters most: people and how to make room for them. Join with fellow Catholic young adult leaders of the Sacramento Diocese to help create a new direction that will help create communities of authentic discipleship.
