Re: Grant Information alerts

---

I have received several requests for information about notifications for Non-Profit Security Grant announcements.

While the federal grant period for FY 2022 has closed, the FY2022 California State CalOES grant is scheduled to be announced sometime in the Fall. Parishes and schools interested in receiving alerts to future state and federal grant notices should email a request to:

- NSGP (Federal grant) email: [NonProfit.Security.Grant@CalOES.ca.gov](mailto:NonProfit.Security.Grant@CalOES.ca.gov)

**AND**

- CSNSGP (State grant) email: [CSNSGP@caloes.ca.gov](mailto:CSNSGP@caloes.ca.gov)
