Date: August 15, 2022  
Re: Stop the Bleed training at St. John Vianney, Rancho Cordova

---

Rancho Cordova Rotary Club is offering a “Stop the Bleed” training program on August 20 at St. John Vianney Parish in Rancho Cordova. Bleeding control is a critical part of an active assailant response program since studies have shown that many shooting victims died from blood loss that could have been controlled if bleeding control measures were immediately taken.

The Rotary Club has partnered with U.C. Davis Medical Center trauma surgeon Dr. David Shatz and the Rancho Cordova Police Department to offer a short two-hour class that teaches emergency bleeding control techniques at St. John Vianney Parish (10497 Coloma Road, Rancho Cordova) .

Participants will be provided with a combat application tourniquet (C.A.T.) – the same tourniquets used by the U.S. military - upon completing the program.

Please see the attached flier for details and enrollment information.

Stop the Bleed is a grassroots national awareness campaign and call-to-action. Stop the Bleed encourages bystanders to become trained, equipped, and empowered to help in a bleeding emergency before professional help arrives.

### **Join Us- It's FREE**

Rancho Cordova Rotary in collaboration with Dr. David Shatz, UCDMC; American College of Surgeons, Rancho Cordova Police Department and The Department of Homeland Security are sponsoring a training course on how to “save a life by simply stopping the bleeding”. The statistics are overwhelming because anyone can do it.

#### **Is it worth just 2 hours?**

When: August 20, 2022 @ 10am

Where: St. John Vianney Parish Hall  
10497 Coloma Rd.  
Rancho Cordova, Ca 95670
