<b>New</b>	<b>"What's Next? Shaping the Future of Catechesis for Families and Catechists"</b>
English	
March 09, 2023 Webinar, from 5:30 pm to 6:30 pm. The past few years have upended many traditional ways of carrying out the ministry of catechesis. As catechetical leaders consider ways to provide a full range of resources to families as well as how to recruit and retain catechists, the need for creative approaches remains vital. Join us for an engaging online session as we mine the enormous potential of the current moment and look toward shaping the future of catechesis with a spirit of hope and joy. Presenter: <b>Kathy Hendricks</b> is the National Catechetical Consultant for William H. Sadler. She is also a contributing writer for their programs, including the Christ in Us catechetical series. Kathy offers talks and retreats across the country on catechesis, spirituality, and family. She is the author of several books, including Seeking Spiritual Balance in Off-Kilter Times and Forming Families in Faith: Catechesis in the Home.
