

#### Our Mission:

Cristo Rey Sacramento, rooted in the traditions of the Sisters of Mercy and the Society of Jesus (Jesuits), *transforms* lives by providing a Catholic, college preparatory education and professional work experience to high school students with limited financial resources.

#### Why Cristo Rey?:

- **Investment In Teacher & Staff Development:** At Cristo Rey Sacramento, we believe that a long-term investment in our teachers and staff is critical to providing an effective and rigorous curriculum for our students. Professional development provides an array of best practices, while allowing for a healthy balance between teacher autonomy and peer collaboration.
- **Meaningful and Necessary Impact:** Cristo Rey offers a Catholic, college-preparatory education to students from underserved communities. Our Cristo Rey faculty & staff have a transformational impact on the lives of our students, who in turn have a transformational impact in their own families and our communities.
- **Leadership & Community Involvement Opportunities:** We strive to offer multiple opportunities for adult leadership and community involvement that include: athletic coaching, extracurricular mentoring and club moderating, instructional leadership team, Title I tutoring program, and credit recovery support. If there are programs that you are interested in building that do not currently exist, we encourage faculty and staff initiative to bring these ideas to life.
- **Integrated Work Study Program:** Cristo Rey provides a unique Work Study program, providing every student with 4 years of corporate work experience. Due to the nature of this Work Study program, only 3 grade levels are on campus at a time.

#### We Want Applicants Who:

**Support the Cristo Rey Mission:** Desires to uphold the mission of Cristo Rey Sacramento by integrating academic instruction with Cristo Rey High School's Corporate Work Study program and Catholic faith, specifically the charisms of our religious sponsors (Sister of Mercy and Society of Jesus).

**Demonstrate Commitment to Academic Excellence:** Recognizes the importance of academic excellence as demonstrated through effective curriculum design and classroom instruction that includes (but is not limited to): backwards design, standards alignment, formative/summative assessment, effective classroom management, and integration of executive function skills.

**Strive for Professional Growth:** Commits to lifelong learning through participation in regular all-school professional and faith learning, in addition to seeking opportunities for outside professional development through our Title funded programming.

**Desire Peer Collaboration:** Seeks to be a member of a community that upholds that value of teamwork, collaboration, and collegiality. Ideal applicants are excited to support and grow with colleagues, welcome classroom observations and feedback, and recognize that there is something to learn from all community members.

**Adopt a Growth Mindset:** Applicants hold the belief that *all students can and will learn*. They fully embrace challenges, persist through obstacles, learn from criticism, and seek out inspiration in others' success.
