Dear Youth and Young Adult Ministry Coordinators,

The long-awaited new document from the USCCB on ministry with young people is set to be released this year in 2024. The new document referred to as the ***Bishops' New Framework for Ministry with Young People: "Listen, Teach, Send"*** is in its final draft revision stage and we are excited for the official release of the new document that'll give us new guidance and vision for ministry to youth and young adults since the foundational documents of *Renewing the Vision* and *Sons & Daughters of the Light*.

To prime us for the release of this new highly anticipated document, the USCCB Ministries with Youth & Young Adults is hosting **two webinars** this summer to introduce the content of the document and guide us on its implementation. Please mark your calendar and register for these learning opportunities:
