RE: **Recruiting Video**

In partnership with the Intercultural Committee on Access, Integration, and Mission (ICAM), we have created a video that can be used in recruiting efforts. The video was intended to illustrate the various opportunities and organizations throughout the diocese. Our hope is to bring an awareness to the various vocations in the diocese. We have the video posted under the Employment Tab on the Diocesan Website. Please feel free to post this video to your website or to utilize as you see fit in your recruitment efforts.

For your ease you may access the video through the link provided below.
