Sensory Friendly Mass

English

St. Lawrence - Don Julio Blvd. North Highlands, Ca

Sunday, November 17, 2024 3:00 PM

A sensory friendly Mass provides an environment for worship with fewer stimulations, allowing people with sensory processing needs, such as autism, intellectual/developmental differences to participate in the liturgy comfortably. There are fewer stimulations, such as lower lighting, softer music and shorter homilies. These Masses aim to help individuals with disabilities feel engaged and experience Mass in a meaningful way. ALL are invited to attend.
